Ingredients for  
your every need...

#### **PRIDE & PASSION**

At Wild Harvest we pride ourselves in bringing you the very finest seasonal ingredients, backed up with uncompromising service and an understanding of all customers' needs, ranging from street food vendors to fine dining establishments. Our product range is led by our customers' needs and fuelled by our passion for being a trusted partner in an ever-evolving industry.

#### **WHERE LIFE BEGAN**

Established as a one-man mushroom, truffle & foraged produce supplier with the aim of distributing wonderful UK native produce, Wild Harvest was originally founded to serve London's Michelin star community with a "door-to-door" approach. While we have grown, this produce has remained firmly rooted at the heart of the business, complementing our range of hand-picked specialist produce expertly supplied to our ever-growing UK customer base.

# Together we are better...

Our close collaboration with our partners at Fresh Direct and position within Sysco - the largest foodservice supplier in the world - enable us to offer an all-encompassing, unrivalled service and a product range to match your every need.

## PRODUCT RANGE

We offer a full range of fresh produce, from real core produce to seasonal delights, bringing diversity and innovation to your menu. Our unrivalled category and product insight enable us to source the best quality products that reflect alignment between customer demand, market trends and product sourcing.

## EASY TO DO BUSINESS WITH

We make things as simple as possible by offering a single point of contact when ordering, whether that's through Fresh Direct or Wild Harvest, then delivered in one box by one van with one invoice. A streamlined, efficient service that saves time and money with the added benefit of a lower environmental impact.

## UNRIVALLED SERVICE & SUPPORT

We offer a daily nationwide delivery service with second drop recoveries available to London-based customers. Our account managers are on hand from 8am - 1am to take your orders, keep you informed around availability and answer your every query.

## INSIGHT

We will give you access to seasonal produce as soon as it appears on the market with updates via our social media channels, seasonal update newsletters and regular distribution of pricing. Our development chefs are available to offer their expertise around range and menu development and we will keep you inspired by our regular masterclasses led by our industry-leading suppliers.

## ACCREDITATIONS & TECHNICAL EXPERTISE

Our certifications and our dedicated technical team evidence our commitment to product quality and operational safety. Our technical team is always available to ensure that all products are to the required standard.

## STABILITY

Our position within Sysco and our financial security ensure that we can provide you with a long-term, stable supplier partnership.

## Kitchen Essentials

### CAREFULLY SELECTED

Whilst the rare and luxurious remain our obsession, our focus on our customers' needs has led to the careful creation of a now well-established kitchen essentials range. Whether your stores are in need of butter, eggs, flour or salt, we can help to lift the quality of your everyday goods with a carefully selected stock of kitchen essentials without pushing your budgets to the limit.

From the rich golden colour of our Clarence Court eggs to the decadent depth of flavour in our smoked Cornish sea salt, we apply the same quality standards to day-to-day lines as we would to our most wild and wonderful product.

# Chocolate & Pastry

## CONSTANT INNOVATION

Over our years of experience, we have honed our range of chocolate and specialist pastry ingredients to ensure that we offer consistency and constant innovation from our selection. We are very proud to work closely with our suppliers to offer everything from our range of Cacao Barry chocolate and the weird and wonderful world of Sosa products to our hand-selected Madagascan vanilla pods and our amazingly versatile offering of Sicoly purees.
