Product information on our site

All products you buy from us are sold subject to our [Terms and Conditions of Sale](#).

Where our products are sold in packs, we may display the price of each unit within the pack as a helpful reference. However, please note that all unit prices within a pack are approximate and have been rounded to the nearest whole penny.

All images shown on the website are for illustrative purposes only and are provided for the sole purpose of giving an approximate idea of the product referred to and as serving suggestions only. The image may include items which are not comprised within the product itself so please read the product description carefully.

For catch-weighted items, weights shown are for guidance and menu planning only, these products will be charged by actual item weight at the time of ordering.

The name of the product and the description given on the website are not necessarily the full description of the product and may not, for example, include all allergen information. For full allergen information, always check the product label.

We may change product specifications or information at any time, and as such there may be a delay in the product description and specification being updated on the website. We rely on our suppliers providing full and accurate product information. Whilst every effort is made to ensure the accuracy of this website, occasional errors may occur.
